Mr. Powers,

I represent Platinum MF LLC dba Verdant Strategies (the "Company") in relation to your communication below. If you have retained counsel, please let me know and I will redirect this correspondence to your attorney.

The Company has carefully considered your allegations and determined that they have no factual or legal merit.

The Company understands that you are angry that your contract was terminated, but you failed to deliver your weekly and monthly contractual obligations. You have also sent at least one fraudulent invoice (Invoice #193) for work that you never performed. The Company is entitled to take legal action against you for fraud and breach of contract. However, for business purposes, the Company is willing to resolve this matter.

In exchange for your execution of a general release of liability, and deletion of the negative feedback you have posted online about the Company, the Company is prepared to offer you a lump sum payment of \$3,000. Considering the strength of the Company's legal position, this offer is more than reasonable and fair.

Please review the enclosed settlement agreement. This confidential settlement offer will expire on Monday, February 24, 2025.
